

# Solar System Fact Book

# Our Solar System

## Our Galaxy

---

### Interesting Facts

---

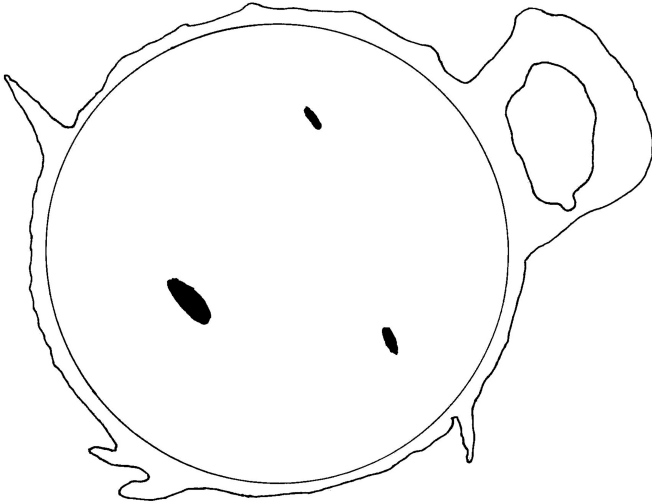

---

---

---

---

# The Sun

## Average Temperature

---

## Interesting Facts

---

---

---

---

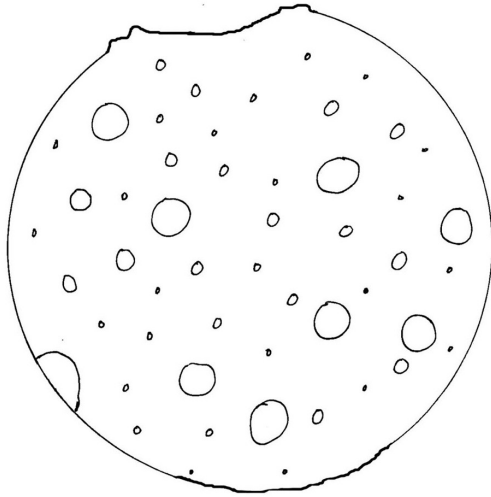

---

---

---

# Mercury

*Distance From the Sun*

---

*Time to orbit the Sun once*

---

*Maximum Temperature*

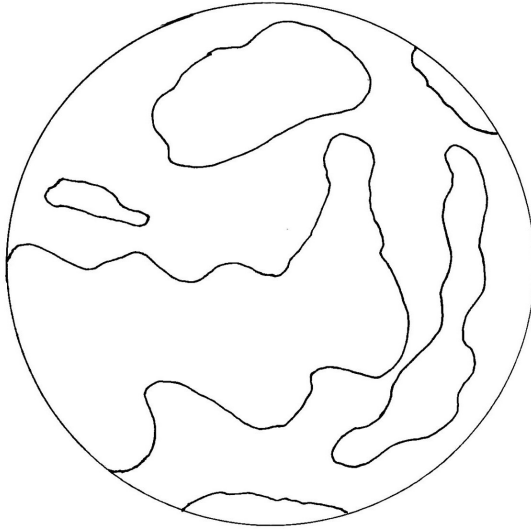

---

*Minimum Temperature*

---

# Venus

*Distance From the Sun*

---

*Time to orbit the Sun once*

---

*Maximum Temperature*

---

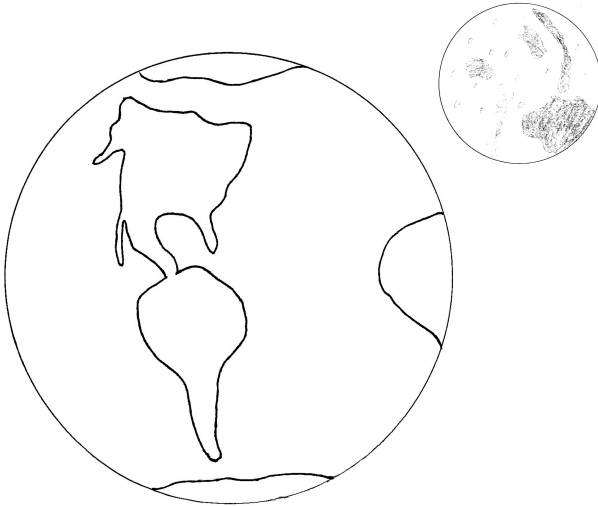

*Minimum Temperature*

---

# Earth

*Distance From the Sun*

---

*Time to orbit the Sun once*

---

*Maximum Temperature*

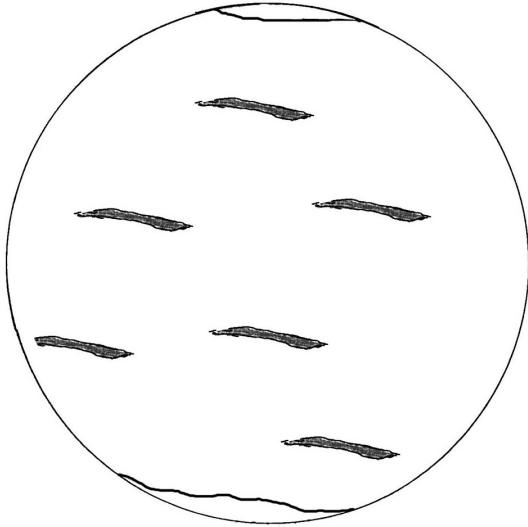

---

*Minimum Temperature*

---

# Mars

*Distance From the Sun*

---

*Time to orbit the Sun once*

---

*Maximum Temperature*

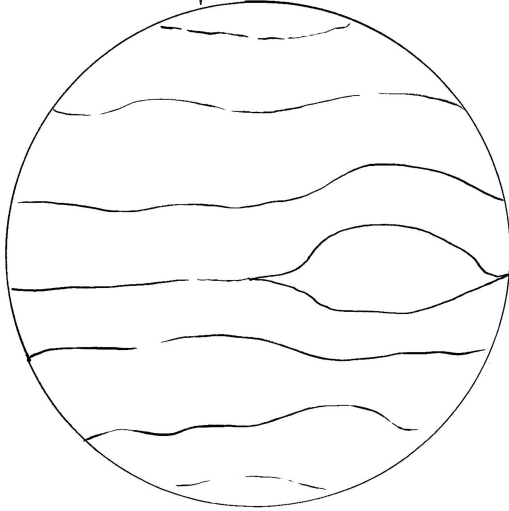

---

*Minimum Temperature*

---

# Jupiter

*Distance From the Sun*

---

*Time to orbit the Sun once*

---

*Maximum Temperature*

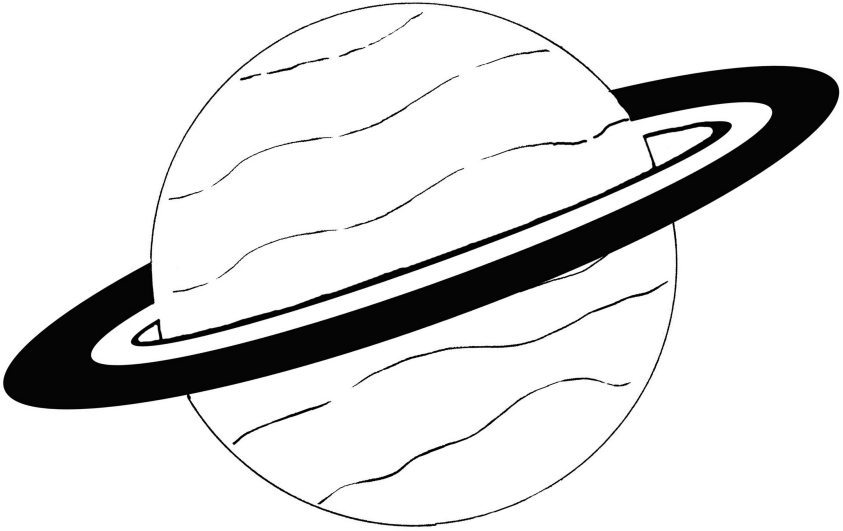

---

*Minimum Temperature*

---

# Saturn

*Distance From the Sun*

---

*Time to orbit the Sun once*

---

*Maximum Temperature*

---

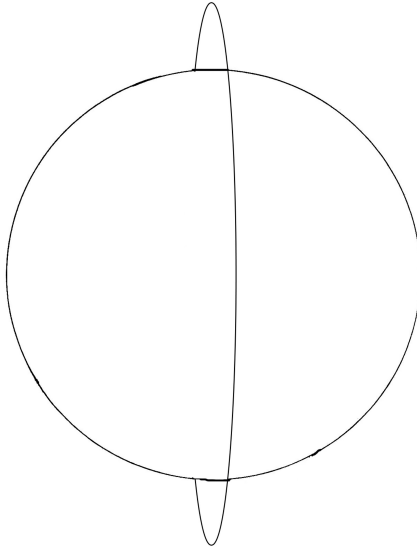

*Minimum Temperature*

---

# ♃ **FRANUS**

***Distance From the Sun***

---

***Time to orbit the Sun once***

---

***Maximum Temperature***

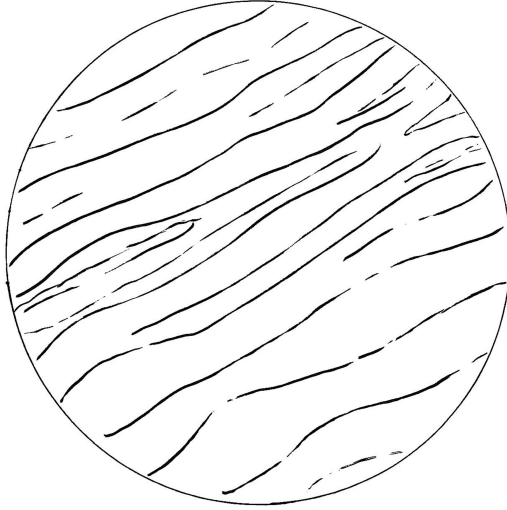

---

***Minimum Temperature***

---

# Neptune

*Distance From the Sun*

---

*Time to orbit the Sun once*

---

*Maximum Temperature*

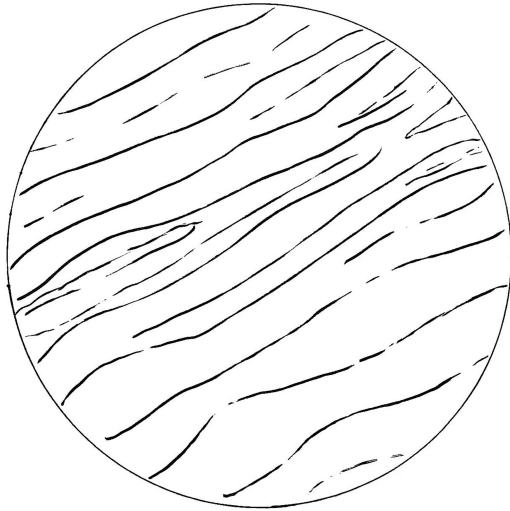

---

*Minimum Temperature*

---

# Dwarf Planets

**Known Dwarf Planets**

---

**Average Distance From the Sun**

---

**Average Temperature**

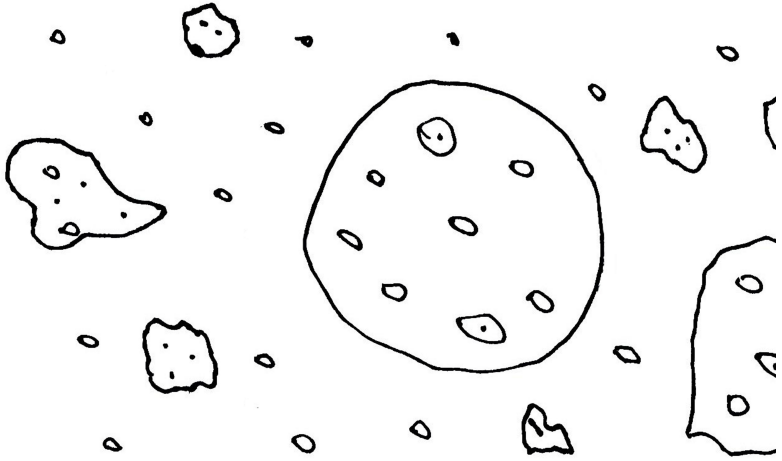

---

**Interesting Facts**

---

# Asteroids

## Interesting Facts

---

---

---

---

---

---

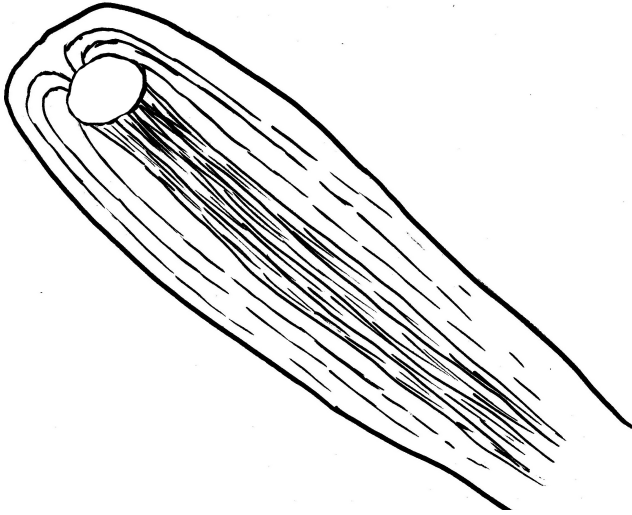

---

---

---

---

# Comets

## Interesting Facts

---
