

# Four Seasons Poem

The short days of winter are filled with cold and snow.

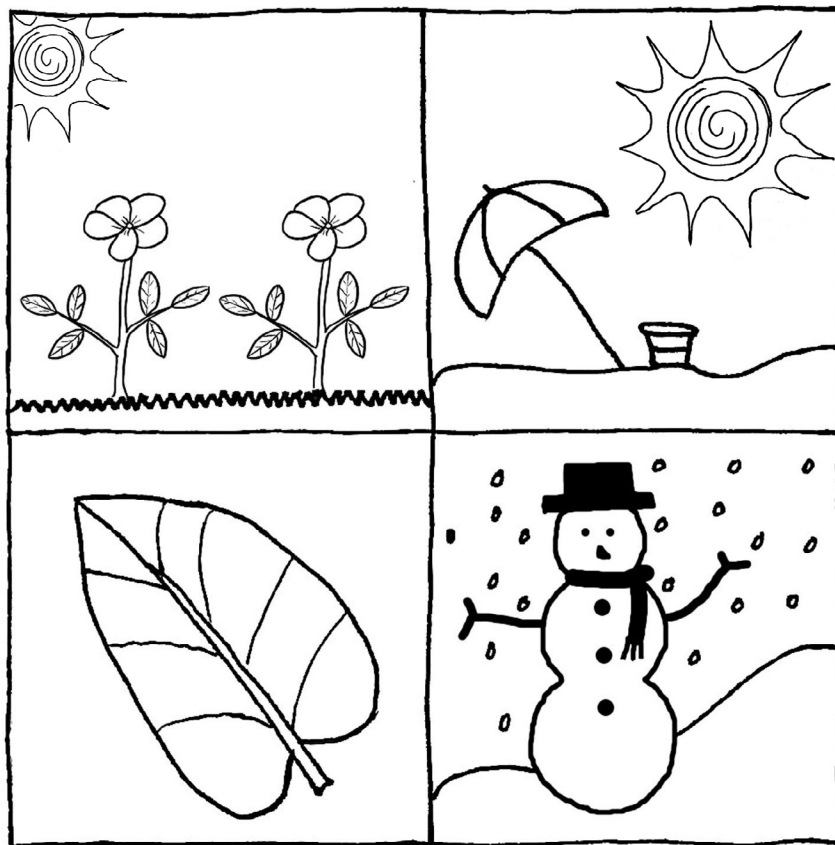

In spring, it warms as the flowers begin to show.

The long days of summer are hot and green.

In fall, the changing leaves create a beautiful scene.

Do you know about the Seasons?

Do you know that in fall the  
leaves change color and fall off  
the trees?

Do you know that in winter it  
gets very cold and snow falls from  
the sky?

---

Do you know that in summer it is  
very warm and it is time to go to  
the beach?

Do you know that in the spring  
flowers begin to bloom and baby  
animals are born?

---

I do!
